

TERMS AND CONDITIONS OF HIRE

It is the responsibility of the customer (hirer) to ensure that all possible steps are taken to avoid injury or damage to the inflatable. Please ensure that the following safety instructions are followed:

- 1) This unit has an age limit of 12 years old. Please ensure no-one over this age uses the equipment.
- 2) No food or drinks to be consumed on the inflatable.(to avoid choking & mess).
- 3) All shoes, badges, jewellery, (i.e.large earrings, necklaces etc.) **MUST** be removed. It is recommended that spectacles are also removed.
- 4) No face-paints, party-poppers, coloured streamers or "silly string" must be used near or on the inflatable, as they can make a terrible mess and permanently stain the unit.
- 5) No smoking near the inflatable.
- 6) Climbing, hanging, or sitting on the walls is **DANGEROUS** and must not be allowed. Slides must be used sitting down only, no jumping or diving down the slide and ensure slide is clear of people before sliding down.
- 7) A responsible adult must supervise the inflatable at all times.
- 8) Ensure that the inflatable is not overcrowded, and limit the numbers depending on age and size of children using it. Usually 7 or 8 at a time depending on size. If the children are colliding into each other then it is too crowded.
- 9)Try to avoid large children and small children from using the inflatable at the same time. Some children require strict supervision.
- 10)Do not allow anyone to bounce on the step/front apron. The step is there to help users get on and off.
- 11) Ensure that no-one with a history of back or neck problems are allowed on the inflatable.
- 12) Do not allow users to be on the unit during inflation or deflation.
- 13) In the event of heavy rain, please leave the inflatable switched on. Any wetness, including bubbling can be dried with a towel. A small picnic table placed over the blower, will help prevent rain-water being sucked into the blower, and then into the inflatable.
- 14) The power lead usually has an RCD safety device with a reset button. If you notice the inflatable starts to go soft, please ensure the blower is still connected to the inflation funnel, ensure all children are off the castle and press the reset button or investigate the reason for deflation and rectify before allowing children back on. Please inform us **IMMEDIATELY** of any other problems that can't be resolved yourself on **(0161-962-6000 or 07762-308080)**
- 15) Ensure that the vent on the side of the blower is kept clear at all times.
- 16) If you are unsure about anything, please contact us.
